Dear Mr. Thuermer:

For your records and files, I am enclosing an invitation that was sent to our 124 California Legislators.

Also, enclosed is a copy of our March-April bulletin in which an article on the front page details our "California's 1976 Day with Legislators."

We have had an outstanding response to this program, which I feel is directly related to the fact that Lt. General Vernon A. Walters, is to be our keynote speaker at our luncheon.

Sincerely,

Hugh

"A DAY WITH YOUR LEGISLATORS"

Wednesday, May 5, 1976 should be one of the highlights of this Administrative year.

The present planning includes:

A POLL from our entire California K Family including all Sponsored Youth AND our Kiwanis Clubs of a list of the "10 Most Burning Issues" our Legislators must face in 1976 as felt by the 4 leaders of both houses who submitted them to us. We will take the result of this enormous POLL to the north steps of the State Capitol on May 5, 1976.

We have the commitment of the Deputy Director of the much-in-the-news Central Intelligence Agency, Washington, D. C. as our luncheon speaker. Legislators are already predicting a bumper number of their members will hear this hard-to-get speaker.

Each Kiwanis Club in California is urged to take a couple of your local elected Officials as your guests for this outstanding day.

We expect a goodly attendance from our SPONSORED YOUTH for this occasion.

Mr. President, you will want to begin a carefully laid plan to get members of your Club to participate with you in the above exciting program. Our goal is 1000 persons there.
